6 STATEMENT OF FACTS

7  
8 This statement of facts is based on the reports, documents, and notes furnished  
9 to Immigration and Customs Enforcement Special Agent Chad N. Worgen.  
10

11 On April 24, 2008, at approximately 1116 hours, Isela HERNANDEZ-Sandoval  
12 entered the United States from Mexico at the Calexico, California West Port of Entry  
13 vehicle primary lane # 5. HERNANDEZ was the driver, sole occupant, and registered  
14 owner of a 2003 Dodge Stratus with Mexican license plate number BEA5569.  
15

16 Customs and Border Protection Officer (CBPO) J. Bolanos was assigned primary  
17 inspection duties on lane # 5 when HERNANDEZ applied for entry. CBPO Bolanos  
18 received a negative oral Customs declaration from HERNANDEZ. HERNANDEZ stated  
19 to CBPO Bolanos that she was the registered owner of the vehicle, and she purchased  
20 it approximately four months prior.  
21

22 During questioning, CBPO Bolanos observed HERNANDEZ was nervous by her  
23 upper lip shaking and her carotid artery beating rapidly. CBPO Bolanos also observed  
24 HERNANDEZ' hand shaking as she presented her driver's license. During a cursory  
25 inspection of the vehicle, CBPO Bolanos observed that the vehicle was extremely clean  
26 and there was fresh paint on the hood of the vehicle. CBPO Bolanos referred both  
27 HERNANDEZ and her vehicle to the secondary lot for an intensive inspection.  
28

29 CBPO R. Mendibles was assigned secondary inspection duties when he  
30 observed HERNANDEZ drive the Dodge Stratus into the vehicle secondary lot for an  
31 intensive inspection. CBPO Mendibles approached HERNANDEZ and received a  
32

1 negative oral Customs declaration. During an intensive inspection of the vehicle,  
2 CBPO Mendibles observed modifications made to the interior of the dash area.

3 Canine Enforcement Officer (CEO) C. Randolph screened the vehicle with his  
4 Narcotics Human Detector Dog (NHDD). CEO Randolph informed CBPO Mendibles  
5 that his NHDD had alerted to the dash area of the vehicle.  
6

7 Upon further inspection of the dash, CBPO Mendibles discovered a specially  
8 built non-factory compartment in the dash area of the vehicle. CBPO Mendibles  
9 opened the compartment and discovered numerous packages within. CBPO Mendibles  
10 removed one of the packages from the compartment.  
11

12 CBPO Mendibles probed the package, and it produced a white powdery  
13 substance that field-tested positive for cocaine. A total of 11 packages of cocaine were  
14 removed from the compartment. The total weight of the packages was 12.58 kilograms  
15 (27.68 pounds).
